Hi Roxanne,

See Cheryl Filart's message below. Please submit the revised work plan and the budget pages to us via email. Also correct the CFDA number (it is 66.204 not 66.804) on the budget form. I made one more change to the work plan, I added the project period on Page 1.

Cheryl.

I have talked to HDOH about their grant application. They have revised their workplan and completed the budget form 424A. There are some additional corrections you indicated that they needed to make, such as correcting the CFDA number and adjusting the project/budget period to begin on 2/1/2017.

How do they make/submit the corrections? Through grants.gov? Via email to us? I am in the office on Thursday but out on Friday Jan 13.

Thanks for your help.

Bob
